

Tutors` Training Workshop

In order to ensure the quality of the all tutors to be employed in the faculty of pharmacy, and taking in consideration that the tutor is playing a very important role in the learning process and have many academic and administrative tasks therefore, the faculty organized a workshop to develop and evaluate the regular tutors and to train all the applicants for the tutor job at Faculty of Pharmacy for the academic year 2017/2018.

The workshop started on Sunday 01/10/2017 in the Main Hall at LIMU main Campus-Beloun and lasted for three days.

First Day Activities:

- The first day began at 10 am with a speech from the Faculty of Pharmacy Dean; Dr. Salma Bukhatwa who welcomed the trainees and all Faculty members who were invited to attend the first day of the workshop.
- Dr. Eman Elmahdi, Curriculum Committee Coordinator, presented an interactive lecture entitled "Teaching and Learning".
- Dr. Amna Bugrain; Chief Tutor, presented an interactive lecture entitled "introduction to PBL".
- After a coffee break, the participants watched a role play that was performed by the Faculty team to demonstrate how the brainstorming session are conducted.

Second day activities:

- The 2nd day began with a brainstorming session where the participants divided into two groups and two participants volunteered to play the role of tutor
- After a coffee break, Dr. Amna Bugrain presented an interactive lecture titled "How other sessions in PBL run".

Third day activities:

- The 3rd day began with an interactive lecture titled " How to be a good tutor "
- After a coffee break, the faculty team discussed with the participants the main items of tutor's contract.
- Then the representative of the faculty at the quality assurance office; Miss. Samah Elnoor, introduced the participants with the requirements of the quality assurance standard at LIMU.
- At the end of the final day the participant evaluated the workshop according to the questionnaire made by the quality assurance office.
